

fun, friends and family!

Impact Day Camp is a unique blend of outdoor ministry, congregational ministry, and community outreach for youth entering grades one through five in the fall.

Less formal than vacation bible school, our camp is based on role modeling and relationship building – with less emphasis on classroom learning and more emphasis on fun!

WESTERN NEW YORK
IMPACT FOUNDATION

This grass roots, all-volunteer foundation aims to connect “hope to action,” allowing Western New Yorkers to make a difference in our own community. As part of Impact’s focus, the Foundation helps provide families with safe, fun child care and child development activities, like Impact Day Camps.

The WNY Impact Foundation teaches children that even at a young age, they can impact the world. Each day of Day Camp, for instance, includes activities, crafts or projects that will be used to brighten the days of neighbors around each camp site. Activities might include potted flowers, fresh baked bread, lap blankets and other crafts.

IMPACT SUMMER DAY CAMP

ONE-WEEK SESSIONS!

Impact Day Camp's core values will help your child become a young leader by focusing on caring, integrity, honesty, responsibility, equality, and social justice.

A Message from the Director:

Thank you for considering a week of Impact Day Camp for your child.

Through play, crafts, faith development and lessons centered around what we can do right in our own communities, your child will learn that they can always make an impact in the world, no matter what their age.

Staffed by two trained, certified lead counselors, two high school junior counselors, myself and a team of volunteers from each church site, we aim for a 5:1 camper to staff ratio for maximum interaction and fun.

I hope to see you and your child at one of our three camps this summer!
